CURRICULUM VITAE

Identifying information

Reza Malekpour Afshar

Department of pathology, Medical school, P.O Box 444

Kerman University of Medical Sciences, Kerman, Iran

Mail: Malekpour@kmu.ac.ir

Date & place of Birth: 09/02/1968 – Kerman

Marital status: Married, with two sons

Education

-Diploma in Natural Science, Kerman (1986)

-General Physician (M.D) in Medical School, Kerman University of Medical Sciences (1993)

-Specialty in Pathology in Kerman University of Medical Sciences (1997)

Position/Responsibilities

- Professor of Pathology at Kerman University of Medical Sciences (2015)

-Vice chancellor for Research, Kerman University of Medical Sciences (2009-2013)

-Associate Professor of Pathology at Kerman University of Medical Sciences (2007-2015)

-Assistant Professor of Pathology at Kerman University of Medical Sciences (2001)

-Vice Deputy for Education in Medical School (2006-2008)

-Head of Center for Clinical Skills in Medical School (2005-2007)

-Director for Residency Program in Pathology Department(2003- 2006)

-Deputy for Education in Shahid Bahonar Hospital (2002-2006)

-Vice Deputy for Education in Paramedical School (2005-2006)

-Manager for Educational Development Unit in Shahid Bahonar Hospital (2002-2006)

-Manager for Educational Development Unit in Medical School (2006-2009)

Professional Memberships

-Member of Iranian Society of Pathology (2002-2010)

-Member of Iranian Society of Cytology (2006-2009)

-Member of Research Steering Committee (2005-present)

-Member of Thesis Committee of Medical School (2006-2009)

-Member of Physiology Research Center of Kerman (2005-present)

-Member of Neuroscience Research Center of Kerman (2005-present)

Teaching experiences

-General pathology for GP and dentistry students

-Systemic pathology for GP students

-Practical advanced pathology for resident of pathology

-Medical histology for GP and MSC students

-Neuropathology courses for neurosurgery residents

-Gynaecologic pathology for OBS & GYN residents

Courses taken

-Basic research methodology

-Preliminary and advance SPSS

-Workshop on multiple choice question (MCQ)

-Workshop on education need assessment

-Workshop on recent development of molecular pathology and telecommunication in diagnostic pathology

-Workshop on strategic planning

-Workshop on course planning

-Workshop on clinical evaluation (OSCE)

-Preliminary and advanced Internet in medicine
